

Eleiko Prestera Muscle Up Bar (Rack Only)

Black

- ✓ Designed for Prestera
- ✓ Max height for athletes
- ✓ Powder-coated finish

The Prestera Muscle Up Bar can be placed across the top of any Prestera rack frame for added functionality. The 33 mm steel bar is finished in a textured powder coat, providing a comfortable, secure grip for athletes.

Features

Mounting Position

The muscle up bar sits across the top of the uprights to provide the maximum height for athletes.

Bar Specifications

The bar measure 33 mm in diameter and 1072 mm in length.

Surface Finish

The bar is powder-coated but can be used with either powder coat or stainless-steel uprights.

Compatibility

Designed specifically for the Prestera System.
