

Eleiko Incline Hyper Extension

Black/PUR

- ✓ 45-degree incline
- ✓ Adjustable Pads
- ✓ Secure Position

The Eleiko Incline Hyper Extension features a 45° incline, comfortable hip and heel pads and a sturdy, textured foot platform to ensure secure positioning for back extension exercises. The hip pads are adjustable for optimal positioning and safe and effective training. Comfortable heel pads keep the user in place, while chromed handles make it easy to get in and out of the bench. Hidden bolt down holes maintain the sleek appearance while providing added stability to ensure user safety. Select our unique PUR cushions for an easy-to-clean and modern aesthetic or Skai cushions for a more traditional look and feel. Compatible with Prestera Band Attachment Pins to increase training resistance.

Features

Secure Positioning

The heel pads are sturdy, comfortable, and firmly hold the user in place.

Customised Fit

Adjustable height on the angled hip pad ensures comfort and proper positioning

Cushion Options

Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple, yet wears well.
