

Eleiko Seated Preacher Curl

Black/Skai Black

- √ Increased Range
- √ Compact Footprint
- √ Precise Positioning

The Eleiko Preacher Curl updated design delivers an increased range of motion on a stable, compact footprint. Seven height adjustments let lifters find an appropriate position, and laser-cut numbers clearly show the height setting. Generous integrated j-cups securely hold the bar and feature durable plastic lining to protect bars from damage. Bolt down holes are hidden within the frame to maintain a sleek appearance while providing added stability to ensure user safety.

Features

Customised Positioning

7 clearly marked settings allow users to find appropriate and safe lifting position

Cushion Options

Select our unique PUR cushions for a modern, durable, easy to clean option or Skai cushions for a more traditional look that is supple, yet wears well.

Quick Adjustments

Find the appropriate position with easy to operate knurled knob pop-pin adjustment and laser-cut number to ensure proper height.
