

Eleiko Prestera Safety Arms, Pair

Black

- ✓ Designed for Prestera
- ✓ Enhanced Lifter Safety

Prestera Safety Arms enhance user safety by protecting the bar and lifter when appropriately used. Position the safety arms at any height on the upright; simply align the peg and hole and rotate the arm down. Custom moulded protective liners are knurling-friendly to minimise barbell wear and curved at each end to guide the bar back to the centre of the safety arm.

Features

Provides Lifting Safety

Enhances user safety, ensuring lifters are protected during a failed lift.

Quality Construction

Strong steel tubing and durable powder coat finish

Enhanced Bar Protection

Custom moulded plastic protective liner that is knurling-friendly to minimise barbell wear.

Compatibility

Designed specifically for the Prestera System.
