

Eleiko Prestera Safety Arms, Pair

Black

- √ Designed for Prestera
- √ Enhanced Lifter Safety

Prestera Safety Arms enhance user safety by protecting the bar and lifter when appropriately used. Position the safety arms at any height on the upright; simply align the peg and hole and rotate the arm down. Custom moulded protective liners are knurling-friendly to minimise barbell wear and curved at each end to guide the bar back to the centre of the safety arm.
