

Eleiko Prestera Trawler

Galvanized

- ✓ Added training variety
- ✓ Create ring and rope stations

Create ring and rope training areas in your Prestera training stations with the Eleiko Prestera Trawler. Place the arm at the top of an upright and pair it with Prestera Ring and Rope Brackets to suspend roman rings or hang ropes. Laser-cut hanger holes along the trawler allow for a wide range of width adjustments to accommodate users. The rustproof galvanized finish delivers long-lasting performance outdoors.

Features

Designed For

Creating ring and rope training areas within a Prestera training station.

Training Variety

Add new training elements to Prestera strength stations; the brackets mounted on Prestera Trawlers and other framework pieces give access to hanging ropes and rings to train various pushing and pulling movements.

Durable Construction

Robust rustproof galvanized steel for outdoor use.

Compatibility

Designed for use with the Eleiko Prestera System.
