

Eleiko Prestera Trawler

Black

- √ Added training variety
- ✓ Create ring and rope stations

Create ring and rope training areas in your Prester training stations with the Eleiko Prestera Trawler. Place the arm at the top of an upright and pair it with Prestera Ring and Rope Brackets to suspend roman rings or hang ropes. Laser-cut hanger holes along the trawler allow for a wide range of width adjustments to accommodate users.

Fea ⁻	311	

Designed For

Creating ring and rope training areas within a Prestera training station.

Durable Construction

Robust steel finished in hard wearing powder coat for indoor use or rustproof galvanised steel for outdoor use.

Training Variety

Add new training elements to Prestera strength stations; the brackets mounted on Prestera Trawlers and other framework pieces give access to hanging ropes and rings to train various pulling movements.

Compatibility

Designed for use with the Prestera System.
