

Eleiko Prestera Storage Shelf Adapter, Pair

Black

- ✓ Designed for Prestera
- ✓ Maximise storage configurations
- ✓ Used with Cable Attachment

When building a Prestera strength training station utilising the Cable Attachment, the Prestera Shelf Adapters ensure a proper fit for any Prestera Shelving used. The adapters offset the shelving to avoid interference and ensure proper functioning.

Features

Designed For

Integrated storage solutions on Prestera strength stations utilising the Cable Attachment.

Durable Construction

Robust materials ensure storage is well secured and stable.

Compatibility

The adapters are designed for the Prestera System shelving when a cable attachment is installed.
