

Eleiko Cable Straight Bar

- \checkmark Quality Construction
- ✓ Eleiko Knurling
- ✓ 30 mm Grip Diameter

The Eleiko Cable Straight Bar features a 30 mm rotating knurled aluminium grip, measures 500 mm in length and weighs 1,1 kg. Designed for use with the Prestera Cable Attachment, the Eleiko Cable Straight Bar is compatible with any cable training system.

Distinctive Details

The Cable Straight Bar handle is crafted from aluminium to keep the handle lightweight and features signature Eleiko knurling for a secure grip. The rotating handle allows for a more comfortable training experience.

Prestera Rack Series

While designed for the Prestera Rack Series, the Eleiko Cable Straight Bar can be attached to any cable training system.
