

Eleiko Prestera Kettlebell Storage Shelf, 1720mm

Black

- ✓ Flexible Storage Solution
- ✓ Protective liner
- ✓ Two lengths available

Designed exclusively for the Prestera rack series, the kettlebell storage shelf comes in lengths of 1072 mm and 1720 mm. It features a 3mm knurled rubber pad to protect kettlebells, dampen noise when racking weights and keep kettlebells securely on the shelf.

Features

Durable Construction

The steel shelves are finished with a matte black textured powder coat finish.

Shelf Storage Capacity

The 1072 mm length kettlebell shelf fits four competition kettlebells for the standard shelf, while the longer 1720 mm one holds seven competition kettlebells. For training kettlebells, the quantity is dependent upon the size.

Load Capacity

The shelf max load is 360 kg.

Easily Integrated

The shelf does not obstruct other attachments and can be set at the desired height using the included pins.
