

# Eleiko Prestera Plate Storage, 1720mm

Galvanized

- ✓ Two lengths available
- ✓ Integrated Storage Solutions
- ✓ Rustproof galvanized finish

Designed exclusively for the Prestera rack series, the Plates Storage Shelf features slots to hold Eleiko weightlifting plates and XF bumpers. The minimalist design limits the obstruction of other attachments. It can be placed within the rack frame at the desired height and secured using the included pins. The rustproof galvanized finish delivers long-lasting performance outdoors.
