

Eleiko Prestera Plate Storage, 1720mm

Black

- ✓ **Two lengths available**
- ✓ **Integrated storage solutions**

Designed exclusively for the Prestera rack series, the Plates Storage Shelf features slots to hold Eleiko weightlifting plates and XF bumpers. The minimalistic design limits the obstruction of other attachments. It can be placed within the rack frame at the desired height and secured using the included pins.

Features

Designed for

Integrating plate and bumper storage into Prestera training stations.

Capacity

Each storage slot holds two smaller bumpers, weightlifting plates, or a single heavier bumper.

Specifications

The 1072 mm rack consists of seven storage slots, and the 1720 rack consists of twelve storage slots.

Compatible

Designed exclusively for the Prestera System.
