

Eleiko Prestera Half Rack Frame

Stainless - Tall

- √ Supports taller athletes
- \checkmark Stainless uprights
- \checkmark 25 mm hole spacing

Designed to accommodate a wider range of athletes and offer more storage with an additional 25 cm in height, the Prestera Tall Half Rack Frame is the ideal strength station for performance and general strength training. The rack has stainless uprights with 25mm hole spacing and is designed for use with attachments in the Prestera System.

Features

For Taller Athletes

An additional 25 cm in height places the pull-up bar higher to accommodate free hanging for taller users.

Optimized Geometry

Rack geometry makes it easier to rack the barbell and gives more room inside the frame without compromising load capacity.

Stainless Steel Uprights

25 mm hole spacing provides more precise adjustments and electrolytic etching maintains steel strength and integrity.
