

Eleiko Prestera Muscle Up Bar 1072mm

Black

- √ Two lengths available
- √ Added training variety
- √ Comfortable, secure grip

The Eleiko Prestera Muscle-up Bar comes in two lengths and is designed for use in Prestera rig configurations. The sturdy steel rod mounts to the uprights creating flexible stations that can accommodate a variety of training from muscle-ups to toes to bar and pull-ups. The 33 mm steel bar is finished in a textured powder coat, providing a comfortable, secure grip for athletes.
