

Eleiko Prestera Knob Grip

Black

- ✓ Train grip strength
- ✓ Pulling variety
- ✓ Flexible installation

The Prestera Knob Grip adds variety to your pulling movement while putting a focus on grip strength. The 70mm diameter knob only occupies one hole when mounted, offering increased flexibility in designing and outfitting a Prestera training station.

Features

Details

The black powder coat finish has a good texture for a secure grip.

Easily Integrated

With its single-hole mounting, the knob grip minimises obstruction with other attachments and easily mounts to a Prestera upright.

Compatibility

Designed for use with racks in the Prestera System.
