

Eleiko Prestera Cover Plate

Black

- ✓ Added safety and stability
- ✓ For use on rubber flooring

The Prestera Cover Plate fits around a Prestera upright and covers the holes in the flooring created when anchoring the rig for added safety, stability and improved aesthetics. Sold separately, each leg requires a plate and includes four small 5 mm holes for fastening the plate to the rubber (screws not included).

Features

Durable Construction

Robust steel finished in hard wearing powder coat for indoor use.

Compatibility

Designed for use with the Prestera System.
