

Eleiko Ab Mat

- ✓ Made in Sweden
- ✓ Increase range of motion
- ✓ Training abdominal muscles
- ✓ Durable material and construction

Get the support, range of motion and durability you need for ab exercises with the Eleiko Ab Mat. Made in Sweden, the Eleiko Ab Mat is constructed from a single piece of PUR, Eleiko's proprietary polyurethane pad formula, so it won't slip and move during use. The embossed Eleiko logo indicates the proper ab mat placement and usage front to back.

Features

Curved Shapes

The curved shape promotes full extension and range of motion when exercising and the embossed logo indicates correct mat positioning.

Design Details

Embossed Eleiko logo and Made in Sweden details at the side.

Single Piece Construction

Single piece moulded polyurethane mat eliminates movement between the foam and cover.

Chamfered Edges

The chamfered edges minimize wear, ensuring that your ab mat will last for years to come.
