

Eleiko Prestera Rig Freestanding 4,2 m

Black

- ✓ Robust 4 mm thick steel
- ✓ Sturdy construction
- ✓ Compatible with Prestera attachment

The 4,2m Prestera Rig assembly can be used as a building block for creating a standard or tailored rig solution or a complete assembly. Eight pull-up stations, four of which are appropriate for muscle-ups, and four squat stations provide many training options. The rig comes standard with the Eleiko Prestera J-cups. Add versatility with our entire range of Prestera attachments and accessories.

Features

Training Stations

8 pull-up stations and 4 squat stations. 4 of the pull-up stations are appropriate for muscle-ups.

Numbered Holes

The numbering on the laser cut holes is uniform across the Prestera system, helping lifters find their barbell and fitness attachment placements across training environments.

Minimum Space Requirements

6x6 m is the minimum space requirement for this rig configuration.

Compatibility

Compatible with Prestera attachments and accessories.
