

Eleiko Prestera Rig Wallmounted 4,2 m

Black

- ✓ Robust 4 mm thick steel
- ✓ Sturdy construction
- ✓ Compatible with Prestera attachment

This assembly can be used as a building block for creating a wall mounted Prestera Rig solutions or as a complete assembly for compact spaces. This rig assembly features five pull-up stations, three of which are appropriate for muscle-ups, and two squat stations. The rig comes standard with the Eleiko Prestera J-cups. The rig can be outfitted with our entire range of Prestera attachments and accessories for training versatility.

Features

Number of Stations

5 pull-up and 2 squat stations, 3 of the pull-up stations are appropriate for muscle-ups.

Numbered Holes

The numbering on the laser cut holes is uniform across the Prestera system, helping lifters find their barbell and fitness attachment placements across training environments.

Minimum Space Requirements

6x4 m is the minimum space requirement for this rig configuration.

Compatibility

Compatible with Prestera attachments and accessories.
