

Eleiko Prestera Rig Wallmounted 7,2 m With Rings And Rope

Black

- ✓ Robust 4 mm thick steel
- ✓ Sturdy construction
- ✓ Compatible with Prestera attachment

This assembly combines low and high uprights, so you can integrate rope or ring stations into your set up. The unit can be used a building block for creating a wall mounted Prestera Rig solutions or as a complete assembly. The unit features eight pull-up stations, five of which are appropriate for muscle-ups, and two squat stations. The rig comes standard with the Eleiko Prestera J-cups. It can be outfitted with our entire range of Prestera attachments or built upon by grouping units or adding pieces from the Rig Framework collection.

Features

Number of Stations

8 pull-up stations and 3 squat stations, 5 of the pull-up stations are appropriate for muscle-ups.

Minimum Space Requirements

9x4 m is the minimum space requirement for this rig configuration.

Compatibility

Compatible with Prestera attachments and accessories.

Rings and Ropes

6 stations for rings or ropes as configured.

Numbered Holes

The numbering on the laser cut holes is uniform across the Prestera system, helping lifters find their barbell and fitness attachment placements across training environments.
