

Eleiko WPP0 Powerlifting Bench Press w/Lever Arms

Charcoal

- ✓ Made in Sweden
- ✓ Competition certified
- ✓ Para powerlifting bench

The Eleiko para powerlifting bench press is custom-designed to meet World Para Powerlifting Organization standards and the specific needs of competitive athletes. The bench features a durable, comfortable bench pad with adjustable safety features and a lever system for quick and safe height adjustments. Its user-friendly design includes knurled stainless steel adjustment knobs, chromed safety arms, and a knock-down construction for easy transport and assembly. Adjustable safety features ensure athletes are protected during each lift, and accessory straps are available.
