

Eleiko Vertical Bar Storage

- ✓ 8 bar holder
- ✓ Compact storage
- ✓ Protective features

The Eleiko Vertical Bar Storage Rack is ideal for organising and protecting your Eleiko Bars. Crafted with precision from high-quality wood, this storage rack is designed to securely hold 8 bars in a space-saving vertical arrangement, protecting bar knurling and sleeves. The smooth wooden storage channel includes a bumper at the base and a chamfered stainless-steel ring around the edge, safeguarding bars from scratches and damage, preserving their integrity and prolonging their lifespan.

Features

8 Bar Holder

Compact floor bar storage features eight sleeve first storage channels to vertically store bars for easy access.

Compact Footprint

The Vertical Bar Storage has a compact 550x550x208 mm footprint that easily integrates into any size training space.

Protect Equipment

Protective bumper pads and chamfered edges protect bar sleeves from unnecessary damage and scratches.

Vertical Storage

A sleek and efficient storage solution that helps prevent bar knurling from being worn down, maintaining their grip for optimal performance with easy access to bars where you need them.
