

Eleiko Competition Kettlebell

8 kg

- ✓ Same size for all weights
- ✓ Calibrated to +/- 200g
- ✓ Colour coded for easy weight identification

Eleiko Competition Kettlebells er fremstillet af højkvalitetsjern med en støbt konstruktion og en pulverlakeret finish, der sikrer lang holdbarhed. Kettlebellsene er nøje kalibreret til konkurrencebrug med en tydelig farvekodning for nem identifikation og en ensartet størrelse, der understøtter teknisk præcision.

Funktioner

Kettlebell Design

Each kettlebell features a wide flat base for stability and easy to grip, non-corrosive stainless-steel handle with a subtle texture designed to hold chalk and improve control of the kettlebell.

Vedvarende størrelse

Each kettlebell, regardless of weight, has the same base diameter, height and handle size, so you can train with consistent technique as you gain strength and progress.

Stabil og sikker

Nem-at-gribe-, rustfrit stål-håndtag og bred, flad base for bedre kontrol

Calibrated for Competition

Cast iron construction calibrated to within +/- 200 g

Kettlebell Colours

The range is offered in the international Girevoy colour scheme for quick and easy weight identification by sight from anywhere in the room.
