

Eleiko Cable Handle 2.0

Single

- ✓ **Quality Construction**
- ✓ **Knurled Rotating Handle**
- ✓ **Durable Comfortable Webbing**

Designed for the Prestera Rack Series, the Eleiko Cable Handle has been updated for optimal durability. Now constructed from 100% vegetable tanned leather to support the webbing, the handle ensures a smooth range of motion and comfort when in contact with forearms and hands during cable training exercises. Made in Sweden, the rotating steel grip features signature Eleiko knurling for a firm grip and premium feel.

Features

Distinctive Details

Rotating Eleiko knurled steel grip moves around the handle strap for more natural and comfortable movement during use.

Made in Sweden

Made in Halmstad, quality materials and construction deliver the Eleiko feeling and a great training experience.

Prestera Rack Series

While designed for the Prestera Rack Series, the Eleiko single handle can be attached to any cable training system.
