

# Eleiko Vulcano Dumbbell

32 kg

Eleiko's Vulcano Dumbbells provide a convenient way to quickly add resistance and load a wide variety of exercises. A gently sloped comfortable handle is knurled to provide a secure grip. The dumbbells are extremely durable, constructed from a sturdy polyurethane that is odour free. Our smart moulding manufacturing process prevents cracks and breaks and coupled with our quality polyurethane minimize signs of wear and tear. Dumbbells are sold individually or in sets, and range from 1 kg to 40 kg, with weights easily identified by prominent white weight increment markings.

## Features

### Designed For

Whole body free weight strength and functional training

### User Friendly

Clearly printed numbers and well-spaced weight increments

### Quality Construction

Durable, crack resistant, odour free polyurethane firmly affixed to a lightly galvanised steel shaft

### Secure Comfortable Hold

Sloped knurled chromed steel handles are comfortable, and allow for a secure hold
