

Eleiko Wristband

- ✓ Impact protection
- ✓ Sweat absorbing
- ✓ Flexible and comfortable

The Eleiko Wrist band offer protection and support for wrists when training with kettlebells. The double-layered, ribbed construction protects the wrists absorbing kettlebell impacts and helping prevent scratches and scrapes with its double-layered breathable, sweat-absorbing cotton blend (3% elastane).

Features

Eleiko Logo

Made in our signature Eleiko blue colour with a white embroidered logo.

Long-lasting Performance

Durable construction features a double-layered ribbed material with a double-stitched seam. Machine wash cold for long-lasting performance.

Protection and Support

Robust double-layered rib construction offers protection and support when training with kettlebells.

Sweat Absorbing

The breathable cotton and elastane blend is comfortable, supportive and doubles as a sweatband.
