

## Eleiko Dip Belt, Black, M

- ✓ Multi-purpose belt
- ✓ Quick-release buckle
- ✓ Durable fastening
- ✓ Max load 150 kg per loop

The Eleiko Dip Belt is a multi-purpose belt designed to add load to dips and pull-ups or for use with belt squats and sleds. It is available in three sizes to ensure an optimal fit and features four strap attachment points. The adjustable 150 cm strap connects to the durable loops with a carabiner.

### Features

#### Secure Fit

The belt is available in three sizes (S, M, L) to ensure you find the perfect fit. A high-quality hook and loop fasten the belt securely with a quick-release buckle, allowing you to get in and out of it during training sets.

#### Built to Last

Crafted using snag and abrasion-resistant materials to withstand the demands of heavy lifting and regular use.

#### Proven Performance

Materials selected based on technical data, designed and tested with athlete input and 450kg drop-tests to ensure lasting performance even with max loads.

#### Versatile Use

4 loops on the belt offer various strap attachment points and support varied training from dips and pull-ups to belt squats and sled pulls.
