

Eleiko WL Knee Sleeve, 7 mm, Strong Blue, XXL

- ✓ 7 mm Neoprene
- ✓ For Weightlifting
- ✓ Durable Construction

Functional and stylish knee sleeves designed to meet the professional athletes' high demands. Knee sleeves help stabilize the knee joint under load, protect against stress and keep joints warm. The 7mm thick neoprene version is our more supportive knee sleeve and is well suited for weightlifting.

Features

Comfortable Support

7 mm thick neoprene balances comfort and support for optimal performance for weightlifting.

Durable Construction

Made in China.

Product Care

Can be machine washed inside out in cold water.

Support for a range of training

Firm yet flexible support is great for a wide variety of movements including squats, snatches, and clean and jerks.
