

Eleiko Prestera Dumbbell Rack- Black

- ✓ Storage for 1-10 kg
- ✓ Ergonomic Cups
- ✓ Protective Liners

Eleiko Prestera Vertical Dumbbell Storage Attachment holds smaller dumbbells ranging from 1-10 kg. It can be attached to any Prestera Strength System upright or mounted to the wall to keep equipment accessible and training spaces tidy. While optimised for Eleiko Evo Dumbbells, the design is compatible with Eleiko XF and Vulcano Dumbbells. The rack features PA liners that protect the equipment, while its ergonomic design ensures safer handling and racking of the dumbbells, eliminating pinch hazards.

Features

Storage Capacity

It holds up to 10 pairs of Evo Dumbbells ranging from 1 to 10 kg (2.5-20 lb).

Durable Construction

The vertical dumbbell storage racks feature a durable matte black textured powder coat finish.

Protect Equipment

PA liner protects equipment, reduces pinching risk, and can be replaced as needed.

Included Hardware

Comes standard with bolts to mount to Prestera Strength System uprights. For wall mounting or attaching to storage legs, additional hardware is required (2002120).
