

Eleiko Performance Platform

Vermilion

- ✓ **Stable support**
- ✓ **Defined zone**
- ✓ **Controlled contact**
- ✓ **Custom deck and colours**

The foundation of a dedicated lifting space. The Eleiko Performance Platform protects your facility and defines a clear training zone. A steel frame and solid birch deck provide stable support under load. The 2 mm high-grip lifting surface delivers consistent contact and durability, with a marble finish, subtle knurl-inspired pattern, and integrated graphics to guide setup. Thick rubber tiles absorb impact and reduce noise through daily training.

Features

Stable base
Steel frame and birch deck provide reliable support under load.

Eleiko lifting surface
2 mm high-grip lifting surface ensures secure contact and lasting durability.

Guided setup
Integrated graphic markings support consistent foot and bar positioning.

Defined training zone
Platform layout creates clear space for consistent lifting setup.

Impact management
Rubber tiles reduce noise and protect floors from barbell drops.
