

Eleiko Horizontal Barbell Storage

- ✓ Protected storage cups
- ✓ Holds six bars
- ✓ Adjustable feet

Eleiko's Horizontal Barbell Storage holds up to six bars, sitting securely in UHMW plastic lines that protect bars from scratches. The storage base features adjustable foot pads, and storage can be tailored with some Prestera attachments.

Features

Protect Equipment

UHMW liner protects equipment and can be replaced when needed.

Prestera Accessories

As part of the Prestera System, add Storage Boards and Prestera Hooks for added storage capacity.

Secure Footing

Bar storage features adjustable feet to create a solid base even if floors are not level.
