

# Eleiko Classic Two Tier Kettlebell Rack

Charcoal

Eleiko's Kettlebells racks comfortably hold both Eleiko Competition Kettlebells and the standard Eleiko Kettlebells for easy accessibility. Rubber-coated shelves protect equipment and help quiet kettlebell handling and racking. The racks knock-down construction is solid and durable, yet easy to transport and assemble. The sturdy base includes bolt down holes for added safety and stability.

## Features

### Designed For

Competition and recreational kettlebell storage

### User Friendly

Knock-down design for easy assembly and transport

### Quiet Protection

Rubber-coated shelves allow for discreet handling and protect equipment

### Storage Capacity

Each standard shelf holds 10 Competition Kettlebells (20 as shown), while the short one holds 5 Competition Kettlebells (10 as shown). As the size of the training kettlebells vary based on weight, storage capacity varies.
