

Eleiko Power Lock Collars

pair

The power lock solution is ideal if you want to keep discs snug on the bar after repeated drops. The system ensures the collars are completely and securely affixed to the bar so discs won't budge, even after repeated lifts and drops. The bar and collars are built to IWF specifications. Easy to use, the collars simply spin onto the bar, are screwed into position and won't need to be tightened or adjusted between reps. ****PLEASE NOTE THAT THESE COLLARS ARE COMPATIBLE ONLY WITH THE POWER LOCK BAR****
