

Eleiko XF 80 Adjustable Pull Up Bar 1100

Black

A versatile pull-up bar that can be placed and adjusted on the fly. The Eleiko XF 80 Adjustable Pull-Up Bar is easily positioned and safely secured with two Eleiko magnetic pins into the rig uprights. Available in both 1100 mm and 1720 mm lengths, the adjustable pull-up bars can be used in both squat and pull-up stations. They are ideal for performing pull-ups, toes to bar, and bar muscle-ups, especially when needing to accommodate athletes of differing heights, kids, and providing multiple scaling options.
