

Eleiko XF 80 Safety Arms (Pair)

Black

The XF 80 Safety Arms securely and easily mount to any XF 80 Rig or Power Rack. To position the safety arms at any height on the upright, simply align the peg and hole, and rotate the arm down into place. When used properly, the arms enhance user safety ensuring the bar doesn't crash down on the user. The safety arms are lined with a knurling-friendly plastic protection to minimize the wear on bars.

Features

Designed For

Lifting Safely in XF 80 Rigs and XF 80 Power Racks.

Quality Construction

Strong sturdy steel tubing and durable powder coat finish
