

Exceed R1 Speed Rope

Red

This rope is perfect for jumpers who are looking to achieve double unders or triple unders, and is a crowd favorite of CrossFit athletes worldwide. The additional weight provided by the nylon coating gives the jumper a little bit more “feel” to the rope and more rhythmic stability to jumping. The patented bearing system in the handles makes them virtually friction-free, and the pivoting eye allows for ANY angle of hand motion, making this rope feel effortless at times.
