Eleiko Prestera Cable Attachment 90kg

- ✓ **Single or dual stack configuration**
- ✓ **Maximise rack space**
- ✓ **Added training functionality**

With the addition of the cables, Prestera becomes an even more powerful solution giving more access to varied training methods in a compact footprint. With its smooth operation, precision fit, quality manufacturing and safety measures, the new Prestera Cable Attachment brings added functionality to the Prestera Range and the Eleiko lifting experience to a new training realm. Handles are sold separately.

Features

Precision Fit

Fit precisely within the Prestera uprights, maximising space within the rack and facility. There is no interference with the barbell or other attachments.

Signature Attention to Detail

Knurled knobs and handles ensure a firm grip and premium user experience.

User-Friendly Operation

The adjustable pulley slides easily on the uprights and firmly locks into place, while the generous cable length supports many exercises.

Low maintenance

Maintenance-free shafts and linear bushings do not require lubrication, making the Prestera Cable Attachment a low-maintenance cable training option.
